6.4 Recruitment, Selection and Enhancing Performance

Council will take all reasonable steps to ensure that it engages the most suitable and appropriate people to work with, and provide services to, children and other vulnerable people. Applicants for prescribed positions will be screened for their suitability to provide services. Screening will involve a National Police Check, Working with Children Check, interviews, referee reports, checking qualifications and previous employment history in working with children.

Council will employ various strategies to supervise, train and support employees and volunteers to understand their responsibilities in creating a safe environment. Strategies include:

- New employee or volunteer induction package to include a copy of this policy

A valid Working With Children Check is required prior to an employee or volunteer working with children. In instances where Council becomes aware of certain information (ie. serious criminal offence, child protection or disciplinary/misconduct matter) regarding any person involved with the organisation, the screening unit of the Department of Human Services will be advised.

Safe Environments: Children & Other Vulnerable People Policy

Council will ensure that all staff and volunteers who work with children or who have access to their personal records have ongoing support and training to develop, enhance and maintain a child safe environment. These measures include:

- Induction
- Internal training on policies & procedures

Grievance procedures can be accessed in accordance with Council's [Complaints and Compliments Policy](#).

A primary method of consultation will involve the community in development of the draft Annual Business Plan and implementation of actions within Council's Disability Access & Improvement Plan. Other forms of involvement include:

6.6 Responding to harm or risk of harm

Council will ensure that staff, volunteers, contractors and consultants providing services to and/or working with children are aware of and are trained, and appropriately supported to report any suspicion of harm or risk of harm on reasonable grounds.

Mandated notifiers in our organisation are employees and volunteers who:

- Provide a service directly to children or young people
- Hold a management position in the organisation; the duties of which include direct responsibility for, or direct supervision of, the provision of those services to children and young people

Mandated notifiers have a legal obligation to report harm or risk of harm directly to the Child Abuse Report Line on 13 14 78 or SA Police on 000 if a child or young person is at immediate risk. Council will support such staff and volunteers to ensure they are trained and appropriately supported to report any suspicion of harm or risk of harm on reasonable grounds.

However, child protection is everyone's responsibility, and all staff and volunteers will be supported and encouraged to report the reasonable belief that a child or young person is, or may be, at risk of harm regardless of whether they are legally obligated to.

Safe Environments: Children & Other Vulnerable People Policy

Only once this legal obligation has been met will enable the matter to be referred to management for information purposes (while maintaining confidentiality at all times).

Council ensures that support is also available when making notifications via the Employee Assistance Program, which is available to Council employees.

Council will support children and families when harm has occurred by referring them to specialists or community networks including community health, family violence support and/or community connections.

Where harm or risk of harm to a child or young person is suspected to be caused by a Council staff member or volunteer, this must be reported direct to the Child Abuse Report Line (CARL) on 13 14 78 or SA Police on 000 if an immediate risk. An internal report is then to be made to the Chief Executive Officer. The staff member/volunteer will be removed from roles involving contact with children and young people or suspended from duties whilst the authorities conduct an investigation.

6.7 Reporting and responding to complaints or feedback

If a general complaint or feedback is received Council will undertake prompt acknowledgement and process in a time sensitive and balanced manner in accordance with Council's [Customer Service Charter](#) and [Complaints and Compliments Policy](#).

7. Availability/Accessibility

This policy is available for inspection at Council's offices during normal business hours & Council's website and will be emailed to interested parties on request (please lodge request in writing via email to council@coorong.sa.gov.au)

8. Document History
