

# Community Equipment for Loan

## Giant Games

These are all your traditional games but they have been resized to be MEGA.

You can choose from:

- MEGA connect four,
- GIANT jenga,
- GIANT checkers; or
- UBER GIANT dice for yahtzee or other games.

## Smoothie Bike

The smoothie bike is a stationary bike custom fit with a special blender attachment. It can whip up a delicious smoothie in a matter of seconds - using just the power of the pedal. It's great fun, a healthy alternative and could be a feature at your next community event or fundraiser.
