

## Coorong District Council Reconciliation Action Plan

June 2022 – May 2023

We acknowledge and pay respect to the Traditional Custodians of the land and waters, the Ngarrindjeri, and Ngarkat People whose ancestral lands are on which we meet.

We acknowledge the deep feelings of attachment and relationship of Aboriginal people to country and pay our respects to Elders past and present. We also extend that respect to all First Nations Peoples.

## Reconciliation Australia CEO Statement

••••••••••••••••••••••••

Reconciliation Australia welcomes Coorong District Council to the Reconciliation Action Plan (RAP) program with the formal endorsement of its inaugural Reflect RAP.

Coorong District Council joins a network of more than 1,100 corporate, government, and not-for-profit organisations that have made a formal commitment to reconciliation through the RAP program.

Since 2006, RAPs have provided a framework for organisations to leverage their structures and diverse spheres of influence to support the national reconciliation movement. The program's potential for impact is greater than ever, with close to 3 million people now working or studying in an organisation with a RAP.

The four RAP types — Reflect, Innovate, Stretch and Elevate — allow RAP partners to continuously develop and strengthen reconciliation commitments in new ways. This Reflect RAP will lay the foundations, priming the workplace for future RAPs and reconciliation initiatives.

The RAP program's strength is its framework of relationships, respect, and opportunities, allowing an organisation to strategically set its reconciliation commitments in line with its own business objectives, for the most effective outcomes.

These outcomes contribute towards the five dimensions of reconciliation: race relations; equality and equity; institutional integrity; unity; and historical acceptance.

It is critical to not only uphold all five dimensions of reconciliation, but also increase awareness of Aboriginal and Torres Strait Islander cultures, histories, knowledge, and leadership across all sectors of Australian society.

This Reflect RAP enables Coorong District Council to deepen its understanding of its sphere of influence and the unique contribution it can make to lead progress across the five dimensions. Getting these first steps right will ensure the sustainability of future RAPs and reconciliation initiatives and provide meaningful impact toward Australia's reconciliation journey.

Congratulations Coorong District Council, welcome to the RAP program, and I look forward to following your reconciliation journey in the years to come.

9900

Karen Mundíne

Chief Executive Officer Reconciliation Australia

## **Mayors Message**

It gives me great pleasure to present Coorong District Council's inaugural Reflect Reconciliation Action Plan (RAP)

The RAP has been developed in the spirit of reconciliation and acknowledgement of the traditional lands and waters on which Coorong District Council operates and I am proud to be part of Council's important journey towards reconciliation.

The Reconciliation Action Plan is our formal statement to reconciliation and will assist with embedding the principles and purpose of reconciliation within our Council.

Our Council is located within Ngarrindjeri Ruwe (Country) and covers much of the Kurangk (Coorong) which has been home for many thousands of years to the Ngarrindjeri people.

The Ngarrindjeri have a timeless connection to the lower Murray River, lakes and Coorong and like the Ngarrindjeri we, as a Council are proud of our district and the RAP framework allows us to further understand where we need to grow, develop and create stronger connections with Aboriginal and Torres Strait Islander Peoples.

The Reflect RAP will guide us in our understanding of where we need to grow and develop in our reconciliation journey, acknowledge what we are doing well to build on as a foundation, and continue to develop relationships and seek guidance from our Aboriginal and Torres Strait Islander peoples.

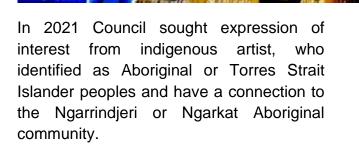

I would like to take this opportunity to thank all members of the Reconciliation Working Group who have contributed and collaborated in a respectful, open and safe manner to guide this RAP.

Coorong District Council is looking forward to this journey and the delivery of meaningful outcomes for our Aboriginal and Torres Strait Islander peoples, communities and workforce.

Mayor Paul Simmons

Pictured above. Mayor Paul Simmons presenting Tailem Bend Bank SA Manager, Tracye Piltz with a certificate of appreciation for their 2021 NAIDOC week sponsorship

The purpose of the artwork was to provide visual representation of how Coorong District Council will bring its vision for reconciliation to life in its core duties as a commissioner of services to support and improve the health and wellbeing of Aboriginal or Torres Strait Islander peoples in the Coorong region, by fostering and strengthening relationships and partnerships with Aboriginal communities and other organisations

Key Themes could include:

- Wellbeing
- Connection
- Healing
- Partnership
- Culture
- Spirituality
- Ngarrindjeri Ruwe (that lands on which we meet)
- The waterways (Murray River, Lakes and Coorong)

The piece should bring to life and reflect a sense of welcoming and belonging, inclusivity and community gathering.

#### Artwork Title - The Art of Reconciliation

#### Artist description

"I wish to demonstrate the reflection of unity and commonality between reconciliation and culture."

"Ngurunderi is the ancestral dreaming creator, his body was divided into five different environments that merge into one another; salt & water, country/ruwe, riverine & lakes, bush, and desert. These are reflected in the five segments of the painting."

"I have combined the symbolism of this unity with the 5 dimensions of reconciliation: historical acceptance, race relations, equality and equity, institutional integrity, unity."

Animal tracks and plants represent the Nga:tji (totems) of the Lakalinyeri (families), and their spiritual importance to Traditional Owners. These symbols are of historical importance to local people and the area they live in.

Bush fruit represents healing and acceptance of traditional stories and knowledge. Water holes and camp sites represent community, ethics and values and the institutional integrity we need. Flowing water represents the life blood and artery of a living body which sustains our environment. While the land represents where we live and play. The hands and footprints represent shared equality, equity and race relations. The Nori (pelican) represents Unity as it is a unifying symbol of the district.

Summer Dawn - Artist

#### Artist Bio

Summer is a multidisciplinary contemporary biracial artist. Summer takes creative inspiration from nature and its colour, shape, texture, and form

Her practice aims to question the current climate of the Australian environment. Whilst highlighting and paying homage to her ancestors and Nga:tji (totems)

Summer uses natural materials, found objects, mixed media, totemic and contemporary symbolism.

Coorong District Council's Vision for reconciliation is we recognise and acknowledge Aboriginal and Torres Strait Islander Peoples as the First Australians and we engage Aboriginal and Torres Strait Islander Peoples in decision making processes and build and strengthen relationships.

Through these relationships we embrace and celebrate our cultural diversities and gain a greater level of understanding and acceptance of our shared history. To this we acknowledge this shared history and use the lessons from the past to build our relationships to ensure the future is built on mutual respect.

Together we develop practices and support all dimensions of reconciliation recognising that equality and equity for all Australian's is only built on mutual trust and respect.

## Our Business

**Our Place** 

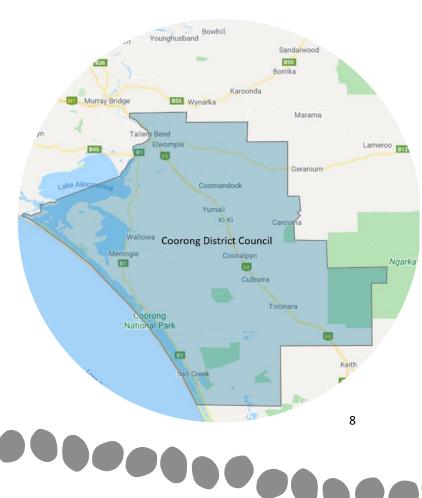

Coorong District Council covers 8,836 square kilometres and named after the unique environment that stretches along the Council's western boundary, the Coorong.

Primarily located on Ngarrindjeri Ruwe (land) our region, and specifically the Murray River, Lakes and Coorong are of significant and cultural importance to the Ngarrindjeri people.

Our Council area is characterised by expansive agricultural land, spectacular beaches, the picturesque Murray River, Lower Lakes and Coorong lagoons, plus isolated bushland and conservation parks. These attributes offer visitors an exciting range of recreation activities and an environmentally significant landscape to enjoy, as well as provide our residents with an income, housing diversity and an enviable country lifestyle.

Recent developments providing extra employment opportunities and industry diversification in the district include major solar farms, a world class motorsport park, chicken farms, recreational tourism ventures and more.

#### **Our Community**

The most recent ABS data shows that in 2016 the Council area had a population of 5,537 people, residing in 3,016 dwellings with an average household of 2.28 persons. People over the age of 55 years equate to 38% of the population, which is comparatively higher than the regions average of 33%. In the 2016 Census 6% (324) of our population identified as Aboriginal and Torres Strait Islanders.

The Coorong district is faced with population, socio-economic, health and environmental challenges, but its community continues to show resilience through a love for the land, strong community connections and a commitment to volunteering and sporting participation

#### **Our Vitality & Growth**

The agricultural industry is by far our major economic contributor. Tourism-related activities are also expected to increase their contributions to the economy, especially as The Bend Motorsport Park's prominence grows.

While it has a relatively small rate income and a very large geography, the Council delivers a broad range of services and has proved very capable in attracting grant funding and advocating to other government levels for the benefit of the community.

The Council is within the Regional Development Australia Murraylands Riverland (RDAMR) region and is a member of the Murraylands & Riverland Local Government Association (MRLGA). It is also within both the SA Murray-Darling Basin Natural Resource Management (NRM) Board area and the Southeast NRM Board area.

The Council is also a member of the Murray River, Lakes and Coorong (MRLC) Tourism Alliance. Our Council also works cooperatively with the Raukkan Community Council, using this strong relationship to help deliver a range of projects especially in the arts and tourism portfolios.

Council has three (3) offices located across the district, the primary office is located at Tailem Bend and 2 additional customer service centres are located at Meningie and Tintinara.

#### **Council Employees**

The total number of full-time equivalent employees at the Coorong District Council is 57, Council does not currently collect information about employees who identify as Aboriginal and Torres Strait Islander people.

#### **Strategic Direction**

Coorong District Council has a four (4) year Community Vision Plan spanning the period of 2021 – 2025. This document, which was developed though consultation with the community helps set a clear vision and objectives for the district, and builds a framework on how it will work towards these:

- address issues of importance for Coorong District Council;
- manage its resources, people and assets in a sustainable way;
- align its efforts with the vision of South Australian and Australian Governments.

## The overarching Vision of Coorong District Council is:

"A district that has pride in its communities, has a prosperous economy and lives in a valued environment. Our success comes from our diversity"

## **Our RAP**

"At its heart, reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians."

Source: https://www.reconciliation.org.au/reconciliation/what-is-reconciliation/

In 2019, Council committed to develop a Reconciliation Action Plan (RAP)

With 6% of Council's population identifying as Aboriginal and Torres Strait Islander people, Council celebrates its landscape and cultural diversity and is committed to ensuring its communities are inclusive. A Reconciliation Action Plan will enable Council to reflect and pay tribute to the work already undertaken towards reconciliation and inclusive communities, as well as plan for future initiatives and projects through a structured and formalised approach.

Council's approach to developing and implementing its first RAP will be through collaboration and engagement with staff and representatives of the Ngarrindjeri Community. Reflections have been undertaken and provide an opportunity for staff and Councillors to come together and look towards areas of improvement and new initiatives that both recognise and pay tribute to our regions cultural heritage as well and build upon and strengthen existing relationship with our Aboriginal and Torres Strait Islander peoples

Although, this is Councils first RAP it has been clearly identified that Council, its relationship, projects and activities have in the past few years been inclusive and respectful of relationships and the strong spiritual connection the Ngarrindjeri peoples have to the land and waters on which the Coorong District Council sits

Pictured above – RAP Artwork - The Nori (pelican) represents Unity as it is a unifying symbol of the district.

# Our Partnerships & Current Activities

In preparation of Council's first RAP and audit was undertaken though staff engagement and workshops to determine its current levels of partnerships, activities, and program delivery. Coorong District Council is placed amongst a region that has significant cultural connections to both country and communities contained within it. It is through this connection that relationships have been forged over the years and a commitment developed to continue to develop and improve relations, gain a greater level of understanding of our region's cultural heritage and practices.

In reflection, the following outlines details on the partnerships, collaboration, projects and activities Council and our Aboriginal and Torres Strait Islander peoples have and are engaged in. Partnerships

## Kungun Ngarrindjeri Yunnan Agreement (2008)

In 2008 Council signed the Kungun Ngarrindjeri Yunnan Agreement that acknowledges the Ngarrindjeri as the traditional owners of the Coorong Area and outlines a commitment to working together to uphold Ngarrindjeri rights and protect interests about the land and waters.

On the signing of this agreement in 2008 a public apology was undertaken to be acknowledged and accepted by the Ngarrindjeri

Although changes have occurred with leadership and governing bodies the intent remains and Council continues to acknowledge the importance of relations with the Ngarrindjeri Community, as such a new partnership agreement is being developed.

Pictured right: Discarded Cockle shells (middens) can be found in the sand dunes of the Coorong National Park. These shell middens are the remains of meals of shellfish once gathered and eaten by Aboriginal People

#### Raukkan Community Council

Council has an active working relationship with the Raukkan Community Council with regular leadership meetings held and collaborative projects established. These collaborative projects and support have so far included funding support under the Drought Communities Extension Programme which enabled the restoration of the Raukkan Gallery, a state heritage listed property that houses and displays artifacts, historical records, documents and photographs. This building was formerly the home of Rev George Taplin and has both cultural and historical significance to the community of Raukkan.

Council's Community development team have worked closely with Raukkan Community Council on the delivery of NAIDOC week Activities held across the district, from one event being held in 2018 to three (3) locations now hosting events and activities each year. These events are well attended and are having positive impacts on the community including the celebration of Ngarrindjeri culture through song and dance to educating youth about Ngarkat history.

Pictured above right: The Raukkan Church that appears on the Australian \$50 note

In 2019, Council secured funding to deliver a 4.8km walking trail at Raukkan. This was following consultation with Raukkan Community Council and the desire to establish and grow cultural tourism opportunities.

#### Ngarrindjeri Aboriginal Corporation

Council continues to establish and develop relationships with relevant governing bodies and corporations. In particular and most recently with the newly established Ngarrindjeri Aboriginal Corporation (NAC). NAC are the Prescribed Body Corporate responsible for Native Title under the act. Council engage and consult regularly with NAC on many projects and activities including land development projects, tourism infrastructure projects and cultural advice.

#### **Coorong Visitor Experience Masterplan**

The Coorong Visitor Experience Masterplan is a cross regional collaborative project between Coorong District Council, Alexandrina Council, Kingston District Council, Department of Environment and Water and the Ngarrindjeri Aboriginal Corporation was established in late 2021 To create a vision for significant, sustainable nature-based tourism attractions in the Coorong region, a Visitor Experience Plan (VEP) will be co-created with stakeholders, community, and visitors.

#### Coorong & Tatiara Local Action Plan

Ngarrindjeri Land and Progress Association (NLPA)

- Contractor engagement to undertake NRM activities such as pest plant and animal control, wetland management and revegetation on public and private lands.
- NRM support and resource funding to facilitate land management activities.

Ngopamuldi Aboriginal Corporation

- Contractor engagement to undertake wetland management activities.
- NRM support and resource funding to facilitate land management activities.
