

Natural Resources South East Acknowledgement Statement

Best Practice Agriculture in a Changing Climate 2017/18

Dear recipients,

Just a friendly reminder that as per the Application Guidelines and set out in your Grant Agreement;

All Best Practice Agriculture in a Changing Climate 2017/18 funded projects must:

- Acknowledge the Australian Government's National Landcare Program (NLP) and the South East Natural Resources Management (SE NRM) Board in all media, promotional material, publications relating to this project, and at field days, workshops, seminars, information sessions, conferences and all other events where the project is discussed or promoted as per the attached Natural Resources South East (NRSE) Grants Final Report.
- All project promotional material will be required to carry the SE NRM Board and NLP logos and funding acknowledgement statement.
- Acknowledgement statements and logos are available from NRSE staff and will be in accordance with SE NRM Board recognition Guidelines.
- All Draft Communication materials must be sent to charlene.riley@sa.gov.au for approval prior to the release of the materials. Please allow up to ten business days.
- Photo Point Milestone (3-4 photo's high resolution) to be captured at various stages of the project and sent to NRSE with a 2-3 sentence project caption. NRSE reserves the right to publish photos and acknowledge National Landcare Program funding activities.

"This project is supported by the South East Natural Resources Management Board through funding from the Australian Government's National Landcare Program".
