Council is now seeking expression of interest from individuals who would like to fill the vacant community member positions on the Coorong District Local Action Plan Committee.

The primary objective of the Coorong District Local Action Plan Committee is to maintain and improve the physical resources for agriculture and to protect and enhance the natural environment of the Coorong District. This is done by providing technical and advisory support to the Coorong Tatiara Local Action Plan Team with a focus on arising land management and environmental issues, and funding opportunities.

It would be an advantage if Committee Members have experience or an interest in some of the following areas. Please provide examples below where you have had experience or a particular interest:

- **A strong understanding of community interest and needs in the areas of; sustainable agriculture, the environment, climate resilience, and Murray Darling Basin related issues.**

- **Strong technical knowledge in the areas of; sustainable agriculture, the environment, climate resilience, and Murray Darling Basin related issues. A knowledge of livestock water security, sandy soil management, dryland salinity, revegetation and wetland management would also be an advantage.**

- A vision for where the Coorong District should be aiming in regard to; sustainable agriculture, the environment, climate resilience, and Murray Darling Basin related issues. A knowledge of livestock water security, sandy soil management, dryland salinity, revegetation and wetland management would also be an advantage.

- Innovative and creative thinking.

- Understanding of the processes involved in attracting and reporting against externally funded projects.

- Experience in participating on community based committees.

- The ability to work constructively and cooperatively with the Sustainability Officers to align with the Coorong District Local Action Plan Terms of Reference, Coorong District Local Action Plan, and reporting requirements of externally funded projects.

- The ability to send and receive emails, access meeting papers, attend meetings, and other information electronically.

Please send your expression of interest form to;
