(Updated May 2016)

1. Purpose and scope

In fulfilling the role of an effective Council that is responsive to the needs of the community and which operates within the legal framework prescribed by the *Local Government Act 1999*, Coorong District Council (“Council”) is fully committed to the principle of open, honest and accountable government with transparent and informed decision-making and encourages appropriate community participation in the affairs of Council. However, Council

Code of Practice for Access to Meetings of Council and Committees and Council Documents

also recognises that on a limited number of occasions it may be necessary, in the broader community interest, to restrict public access to discussion/decision and/or documents.

The purpose of this code is to:

- Meet the provisions of section 92 of the *Local Government Act 1999* ("*the Act*") in the preparation and adoption of a Code of Practice relating to the principles, policies and procedures that a Council must apply for the operation of Parts 3 and 4 of the Act for the purposes of public access to meetings, documents and minutes of Council and Committee meetings.
- Inform and educate the community about public access to Council and Committee meetings, minutes of Council and Committee meetings and other Council documents.

This Code sets out Council's commitment to public access and accountability, and includes:

- information on the relevant provisions of the Act;
- Council's policy on public access and participation;
- the process that will be adopted where public access to a meeting or a document is restricted;
- grievance procedures to be followed if a member of the public believes that the Council has unreasonably restricted public access on a particular matter.

It also contains information relating to:

- access to the agenda for meetings;
- public access to meetings;
- the process to exclude the public from meetings;
- matters for which the Council, or a Council committee, can order that the public be excluded
- how the Council will approach the use of the confidentiality provisions in the Act;
- public access to documents, including minutes;
- review of confidentiality orders;
- accountability and reporting to the community, and the availability of the code; and
- grievances about the use of the code by Council.

2. Definitions

For the purposes of this policy:

"Council": includes Committees established by resolution of the Council including section 41 and section 42 Committees. Committees not set by Council and not performing a regulatory activity may vary these procedures in accordance with the Provisions of Part 3 of the *Local Government (Procedures at Meetings) Regulations 2013*.

"Clear days": the time between the giving of the notice and the meeting is to be determined excluding the day on which the notice was given and the day of the meeting e.g. notice is given on a Thursday for a following Monday meeting, the clear days being Friday, Saturday and Sunday.

"Live Stream": transmission of audio and/or video from a meeting at the time the meeting is occurring.

3. Public Access to the Agenda for Meetings

- 3.1 At least three (3) clear days before a Council meeting (unless it is a special meeting), the Chief Executive Officer (CEO) must give written notice of the meeting to all Members of Council or Committees setting out the date, time and place of the meeting. The notice must contain or be accompanied by the agenda for the meeting.
- 3.2 Subject to clause 3.8 the notice and agenda will be placed on public display at each office of the Council that is open to the public for the general administration of Council business and on Council's website www.coorong.sa.gov.au.
- 3.3 Items listed on the agenda will be described accurately and in reasonable detail.
- 3.4 Subject to clause 3.8 the notice and agenda will be kept on public display and continue to be published on the website until the completion of the relevant Council or Council committee meeting.
- 3.5 Subject to clause 3.9 copies of the agenda documents and non-confidential reports that are to be considered at the meeting will be made available to members of the public in attendance. A reasonable number of copies will also be available for public inspection as soon as practicable after they are supplied to the Members of Council.
- 3.6 Members of the public may obtain a copy of the agenda and any particular reports for a fee to cover the costs of photocopying, in accordance with a Council's schedule of fees and charges.
- 3.7 Where the CEO (after consultation with the Mayor of the Council, or in the case of a Committee - the presiding member) believes that a document or report on a particular matter should be considered in confidence with the public to be excluded, the basis under which the order could be made in accordance with section 90(3) of the Act will be specified. [see sections 83(5) (Council) and 87(10) (Committee) of the Act.]

4. Public Access to Meetings

Council and Committee meetings are open to the public and attendance is encouraged - except where Council believes it is necessary in the broader community interest to exclude the public from the discussion (and, if necessary, decision) on a particular matter.

The public will only be excluded when considered proper and necessary, e.g. the need for confidentiality outweighs the principle of open decision making.

Council encourages public attendance at meetings and Committees through public notification of meetings via display at Council offices and Council's website indicating the date and time of the next meeting.

Section 90(7a) of the Local Government Act 1999 does not preclude a Committee meeting from being held by telephone or other electronic means.

Council has made a discretionary decision (per minute 304/20) to live stream Council meetings to the public, which can be viewed on Council's YouTube channel. Live streaming of Council meetings allows the public to watch and listen to the meeting in real time, giving greater access to the democratic decision making process.

**Code of Practice for Access to Meetings of Council and Committees
and Council Documents**

Pursuant to section 90A of the Act, Council is permitted to held information or briefing sessions (not being a formal meeting of Council or a committee meeting), but must not be used as a replacement for full debate or formal decision making.

5. Process to Exclude the Public from a Meeting

Where the Chief Executive Officer believes that a matter should be considered in confidence, the nature of the matter and the reasons why it should be considered in confidence will be clearly noted on the agenda, which is made available to the public.

Where possible, confidential items are listed at the end of the Council agenda to reduce inconvenience to the public but can also be brought forward by resolution of the Council.

Before a meeting orders that the public be excluded to enable the receipt, discussion and consideration of a particular matter, the meeting will, in public, formally determine if this is necessary and appropriate, and then pass a resolution to exclude the public while dealing with that particular matter. If this occurs the public must immediately leave the room. This means that all members of the public (including staff), unless exempted by being named in the resolution as entitled to remain, are required to leave the room. For the operation of section 90(2) a member of the public does not include a member of Council.

Once Council or a Council committee has made the order, it is an offence for a person, who knowing that an order is in force, enters or remains in a room in which such a meeting is being held. It is lawful for an employee of Council or a member of SAPOL to use reasonable force to remove the person from the room if she/he fails to leave on request of the Chair or presiding member/Mayor. Staff safety is paramount, therefore should any form of force be required SAPOL will be contacted.

Once discussion on that particular matter is concluded, the public are then permitted to re-enter or reconnect to the meeting. If there is a further matter that needs to be considered in confidence it is necessary to again undertake the formal determination process and to resolve to exclude the public as above.

Please note that the Council, or the Council committee, can by inclusion within the resolution permit a particular person or persons to remain in the meeting. An example would be allowing a ratepayer who is suffering personal hardship to remain in the meeting when their circumstances concerning the payment of rates is being discussed.

6. Matters from which the Public can be Excluded

In accordance with the requirements of section 90(3) of the Act, Council, or a Council Committee, may order that the public be excluded in the following circumstances:

- a) information, the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead);
- b) information, the disclosure of which –
 - i. would reasonably be expected to confer a commercial advantage on a person with whom the Council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the Council; and
 - ii. would, on balance, be contrary to the public interest;
- c) information, the disclosure of which would reveal a trade secret;
- d) commercial information of a confidential nature (not being a trade secret) the disclosure of which –
 - i. could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party; and
 - ii. would, on balance, be contrary to the public interest;
- e) matters affecting the security of the Council, members or employees of the Council, or Council property; or the safety of any person;
- f) information the disclosure of which could reasonably be expected to prejudice the maintenance of law, including by affecting (or potentially affecting) the prevention, detection or investigation of a criminal offence, or the right to a fair trial;
- g) matters that must be considered in confidence in order to ensure that the Council does not breach any law, order or direction of a court or tribunal constituted by law, any duty of confidence, or other legal obligation or duty;
- h) legal advice;
- i) information relating to actual litigation, or litigation that the Council or Council committee believes on reasonable grounds will take place, involving the Council or an employee of the Council;
- j) information, the disclosure of which –
 - i. would divulge information provided on a confidential basis by, or to a Minister of the Crown, or another public authority or official (not being an employee of the Council, or a person engaged by the Council); and
 - ii. would, on balance, be contrary to the public interest;
- k) tenders for the supply of goods, the provision of services or the carrying out of works;
- m) information relating to a proposal to prepare or amend a designated instrument under Part 5 Division 2 of the *Planning, Development and Infrastructure Act 2016* before the draft instrument or amendment is released for public consultation under that Act;
- n) information relevant to the review of a determination of a Council under the *Freedom of Information Act 1991*;
- o) information relating to a proposed award recipient before the presentation of the award.

Code of Practice for Access to Meetings of Council and Committees and Council Documents

The Act provides for a definition of “personal affairs”, being a person’s financial affairs, criminal records, marital or other personal relationships, personal qualities, attributes or health status, or that person’s employment records, employment performance or suitability for a particular position, or other personnel matters relating to the person, but does not include the personal affairs of a body corporate.

In considering whether an order should be made under section 90(2), it is irrelevant that discussion of a matter in public may:

- cause embarrassment to Council or the Council committee concerned, or to Members or employees of the Council; or
- cause a loss of confidence in Council or the Council committee; or
- involve discussion of a matter that is controversial within the council area; or
- make the council susceptible to adverse criticism.

If a decision to exclude the public is taken, the Council or Council committee is required to make a note in the minutes of the making of the order and the grounds on which it was made. Sufficient detail of the grounds on which the order was made will be included in the minutes.

7. Use of the Confidentiality Provisions

Any consideration of the use of the confidentiality provisions to exclude the public from the discussion of a particular matter at a meeting will require the identification of one or more of the grounds listed within section 90(3) of the Act, and the factual reasons for the relevance and application of the ground(s) in the circumstances. These are listed in section six (6) above.

The policy approach of Council is that:

1. The principle of open and accountable government is strongly supported;
2. Information of the grounds on which an order to exclude the public is made will be conveyed to the public at the time of them being required to leave the meeting – the public will not be excluded until after a confidentiality motion has been debated and passed and sufficient reasons for the need to exclude the public given;
3. Once discussion of the matter is concluded, the meeting will then consider if it is necessary to make an order that a document associated with this agenda item (including minutes) remain confidential. In determining this, the meeting will have regard to the provisions of section 91 and in particular section 91(8) of the Act, which details when a Council must not order that a document remain confidential;
4. If the meeting determines that it is proper and necessary to keep a document confidential, then a resolution for an order to this effect is required to be resolved by the meeting in accordance with section 91(7) of the Act;
5. The Council will not consider a number of agenda items “in confidence” together, e.g. en bloc. It will determine each item separately and consider the exemptions relevant to each item;
6. Once discussion of the matter is concluded and the public have returned, the decision of the meeting in relation to this matter will be made publicly known unless the Council

Code of Practice for Access to Meetings of Council and Committees and Council Documents

has resolved to order that some information remain confidential. Details relating to any order to keep information or a document confidential in accordance with section 91(7) are also to be made known. When making an order the meeting must specify the duration of the order or the circumstances in which the order will cease to apply, or a period after which the order must be reviewed. If the section 91(7) order is to apply for a period exceeding 12 months, then this order must be reviewed every 12 months from the date it was made. This along with the making of the order pursuant to section 90(2) and the grounds pursuant to section 90(3) on which it was made are also to be recorded in the minutes.

7. In all cases the objective is that the information be made publicly available at the earliest possible opportunity and that the community is informed of any Council order and the associated implications; and
8. Where a person provides information to the Council and requests that it be kept confidential, Council is not able to even consider this request unless the matter is one that falls within section 90(3). If this is the case, Council will then be in a position to consider the request on its merits.

8. Public Access to Minutes

Minutes of a meeting of Council or Council committee will be publicly available, including on the internet, within five (5) days after the meeting.

9. Public Access to Documents

Various documents are to be available for inspection and purchase (for a fee) by the public. Council may also make a document available in electronic form and place it on the Internet for public access.

The Council or Council committee will only order that a document associated with a discussion from which the public are excluded is to remain confidential if it is considered proper and necessary in the broader community interest.

The Council or Council committee can only resolve to keep minutes and/or documents confidential under section 91(7) if they were considered in confidence pursuant under sections 90(2) and 90 (3) .

Once a matter has been dealt with, Council may order that a document relating to the matter considered in confidence is to be kept confidential. However, there are some exceptions - in accordance with section 91(8) Council must not make an order to prevent:

- the disclosure of the remuneration or conditions of service of an employee after they have been set or determined; or
- the disclosure of the identity of a successful tenderer or any reasons as to why that tenderer has been selected; or
- the disclosure of the amount(s) payable by Council under a contract for the supply of goods or the provision of services (including the carrying out of works) to, or for the benefit of, the Council after the contract has been entered into by all parties to the contract; or

Code of Practice for Access to Meetings of Council and Committees and Council Documents

- the disclosure of the identity of land that has been acquired or disposed of by Council, or of any reasons as to why acquisition or disposal has occurred.

Where keeping a document confidential is considered proper and necessary, a resolution to this effect is required which shall include:

- the grounds for confidentiality; and
- the duration of the order or circumstances in which the order will cease to apply, or a period after which the order must be reviewed – if the order has a duration of more than twelve (12) months, the order must be reviewed at least once in every year;
- (if applicable) whether the power to revoke the order will be delegated to an employee of the Council. [s.91(9)]

Requests to access Council and committee documents can be made under the *Freedom of Information Act 1991*. Inquiries in relation to the process for seeking access to documents held by Council should be directed to Council's nominated Freedom of Information Officer (who is Council's Records Management Officer – phone 1300 785 277).

9. Review of Confidentiality Orders

Confidentiality orders made under section 91(7) of the Act will specify the duration of the order or the circumstances in which the order will cease to apply, or a period after which the order must be reviewed. In any event, any order that operates for a period exceeding twelve (12) months will be reviewed at least once in every year.

An order will lapse if the time or event specified has been reached or carried out. There is no need for Council to resolve for the confidential order to be lifted. Once the order has lapsed, the minutes and/or documents automatically become public. Council will make this information publicly available including on the Council's website.

A review of the reports or documents that were considered under confidentiality provisions will be conducted every six (6) months to ensure that items are released in accordance with the resolution of Council, when the provision no longer applies.

Orders that exceed twelve (12) months will be reviewed annually and Council must assess whether the grounds for non-disclosure are still relevant and, if so, provide the relevant grounds and reasons for the minutes and/or documents remaining confidential. The conduct of the annual review is delegated to the Chief Executive Officer and may be sub-delegated to an employee. If there are any items that require a fresh confidentiality order because the original order is about to expire, then the reviewer will prepare a report to Council making recommendations with respect to each item to be retained in confidence. Each item must then be addressed separately and assessed against section 90(3) and section 91(7) of the Act. While Council may delegate the power to undertake an annual review, the Council cannot delegate the power to apply sections 90(3) and 91(7) of the Act.

A Council may resolve to exclude the public from a meeting to discuss and undertake consideration of the recommendations arising from the annual review in confidence, subject to the application of the relevant ground under section 90(3) of the Act. Section 90(3) of the Act will be applied separately to each item and not en bloc.

If there is no longer any need for the confidentiality order, Council may delegate to an employee of the Council the power to revoke an order made in accordance with section

**Code of Practice for Access to Meetings of Council and Committees
and Council Documents**

91(7) of the Act. A Council may also include in the resolution whether any delegation is given to an employee to revoke the order and if relevant, any conditions associated with the delegation.

10. Accountability and Reporting to the Community

A report on the use of sections 90(2) and 91(7) by Council will be included in the Annual Report of Council as required by Schedule 4 of the Act. This supports Council's commitment to the principle of accountability to the community. The report will include the following information, separately identified for both Council and Committees:

- Number of occasions each of the provisions of section 90(2) & 90(3) were utilised;
- Number of occasions each of the provisions of section 90(2) & 90(3) and section 91(7) were utilised, expressed as a percentage of total agenda items considered;
- An indication of any particular issues that contributed to the use of confidentiality provisions on more than one occasion, e.g. a proposal to acquire a parcel of land was considered on three (3) separate occasions;
- Number of occasions that information originally declared confidential has subsequently been made publicly available; and
- Number of occasions that information declared confidential has still not subsequently been made publicly available and the reason for this in each case.

11. Availability/Accessibility

This Code is available for inspection at Council's offices during normal business hours & Council's website and will be emailed to interested parties on request (please lodge request in writing via email to council@coorong.sa.gov.au)

12. Document History

This Code will be reviewed within twelve (12) months after a periodic election, as required, or do to any legislative changes.
