

Finance Officer – Rates re-advertised

- » *Exciting career opportunity*
- » *Mid-career skill set required*
- » *Want to make a difference?*

As the state's largest rural council, the Coorong District Council is an organisation that offers unique employment opportunities.

A rare opportunity exists for a progressive finance professional to undertake Council's rates portfolio. The position will involve a range of functions relating to rates processing, debt recovery and financial reconciliation, whilst ensuring Council meets its legislative responsibilities.

Excellent interpersonal skills and a demonstrated understanding of financial management (within a local government context) are essential.

Given the high level of autonomy that this position requires, the ideal candidate will have at least two to three years experience in a similar role.

Want to find out more or apply? Visit www.coorong.sa.gov.au/jobs or phone Ben Jarvis, Organisational Development Coordinator on 1300 785 277.
